PRODUCT DATA SHEET	
1.IDENTIFICATION OF THE SUBSTANCE/PREPARATION AND COMPANY	
NAME OF THE PRODUCT	POLYRUSP L.V.
SPECIAL FEATURES	<ul style="list-style-type: none"> • POLYRUSP L.V. is a used for protecting components. After application it leaves behind a protective rust inhibiting layer. • It is non-toxic, non-polluting and has excellent anti-corrosive additives. • It provides an excellent protection to ferrous and non-ferrous components. • Once the machined component is applied with POLYRUSP L.V, immediate action of POLYRUSP L.V starts and rest of the care is taken by this rust preventive layer. • In ordinary industrial atmosphere, the treated components will remain rust free for outdoor: 6 to 8 months. • Indoor : 8 to 12 months
DILUTION	<ul style="list-style-type: none"> • NO DILUTION
APPLICATIONS	<ul style="list-style-type: none"> • POLYRUSP L.V. is very much useful for machined ferrous and non-ferrous components like crankshafts, fly wheels, connecting rods, etc.
METHOD OF APPLICATIONS	<ul style="list-style-type: none"> • The machined components are directly dipped (Spray or brush) into POLYRUSP L.V and taken out. The water from the components settles at the bottom and the film formation takes place. The components not having any water can also be dipped to get rust preventive coating (shot blasted castings). These components are ready for Packing.
TECHNICAL DATA	<ul style="list-style-type: none"> • Appearance :- Yellow To Dark Brown Colour Liquid • Odour :- Characteristic odour • Specific gravity@29°C :- 0.8 (+/- 0.1) • Solubility in water :- Insoluble • Flash point :- 150°C Min
PACKING & STORAGE	<ul style="list-style-type: none"> • 210 LITS PLASTIC BARREL. & Store in a cool, dry, well ventilated place. Use properly labeled and closable containers. Avoid direct sunlight, heat sources, and strong Oxidizing agents.

SAFETY INFORMATION: - Although this product does not pose a significant hazard to health a good standard of hygiene and housekeeping should be protected when using all type of industrial safety materials. Refer MSDS of the product.
